

CAPABILITY STATEMENT

Corporate Overview

Huang's Inc. Established in 2002, Huang's inc. is a Prime General Contractor with self-perform mechanical and plumbing capability. We provide general construction, facilities maintenance and mechanical contracting. Huang's Inc. specializes in Design-Build, turnkey construction projects and mechanical, plumbing systems installations.

Headquartered in Alexandria, Virginia, our services are provided to the Federal Government, Industrial and commercial clients throughout the Washington Metropolitan area. Huang's Inc. is committed to provide contracting support to our clients with exceptional workmanship, extraordinary service and professional integrity from project start-up to closeout. We understand Federal laws and regulation and strive to maintain the highest level of Government contracting compliance possible.
